LOUISVILLE.

FOR APPELLATE JUTIGE, HON. ZACHARIAH WHEAT, of Adair. with the children of their Pentestan fellow-ativens. We think they exarcerate the danger of the public. FOR CLERK OF THE COURT OF APPLALS schools. HON, GEO. R. McKEE, of Pulaski.

THE COMMON SCHOOL SYSTEM, We have site poor, and, when fully perfected, latin the product of characteristic production and the poor, and, when fully perfected, latin the production that the poor, and, when fully perfected, latin the production that the poor, and, when fully perfected, latin the production. The poor and the poor, and, when fully perfected, latin the poor, and the poor the poor, and the poor, and the poor the poor, and the escreted them ail. We have shown that, in all that part of his pamphlet which is taken up in parading freely opens the same to the choler of the joods. The main is the community. The rich are thus taxed to the heart we have so in our great cities, there is no argument except such as might be adduced, with equal force, against the loss hostitutions in the world. We have shown that there is no large and the same that the distributions in the world. We have shown that there is no large and the same that the same is the community to the poor; and this is no hardeling to the benefit of the poor; and this is no hardeling to the benefit of the poor; and this is no hardeling to the benefit of the poor; and the same hardening to the poor in this country where the problem is the problem of the poor; and the same hardening to the poor in the poor is and this is no hardeling to the poor in the poor in the poor is and this is no hardeling to the poor in the poor is and this is no hardeling to the poor in the poor is and the same to the challence are not be the poor is and this is no hardeling to the poor is and this is no hardeling to the poor is and this is no hardeling to the poor is and this is no hardeling to the poor is and the poor i that part of it which makes the public school own. Now every man must know that there is register the cause of the prevailing wickedness of the such thing possible here as a general or universal. That hand the wanderers of the saxe are the times as if you it. I deharte a man with a crime succession of the masses of our people except by the times to the times that the wanderers of the saxe are the times to the times that the saxe are the times to the times that the saxe are the times to the times that the saxe are the times to the times that the saxe are the times to the times that the saxe are the times to the times the times to the which was not only consultied by another, but which some system of public or State school. Arrivally at war your business more than his to have preventthe question is, a public of unition or no reduced on We have shown also that there is no reason for the people Left to radio hals, the work all a bland as touchin parental rights and scriples of one. To the church and the State to return to a touchin parental rights and scriples of one. because it a not and never was the of never be committed. The "lat not of " ten brelle, or to it if e all the religious error schools, under these circumstants, it is the brelle, or to it if e all the religious error ble parent or child.

We have shown the further, that so the theory the education of the people only a test. We have shown an extra us a cound and liberal one, not space at present to argue this plant. The other the church, while is cooke only to import that accu-tar knowledg with so the common property of the ivideed orla so a so in as practical working popular education in this catter of rein is there is no me multivor burden of taxation upon masses of our per ple the reight in the reight in the masses of our per ple the reight in the reight in the reight in the masses of our per ple the reight in the reight i distant to all this, we have examined that foreign ystem of separate regions schools, under the unjurisdance of continues a very principle of the continues as a very to law of the continues as of the continues as of all only store, which is not mentally the continues a very purpose of ellouistics, and of the continues as a very the conscious so of ellouistors, which is not mentally the continues as a very purpose of ellouistic and performs a very continues as a very the conscious so of ellouistors, which is not seen to ellouistic and performs a very continues as a very continues have boom that will be it is open to the very object riously gifted spirits of partition it however. a which to I be ages against our own, it the characteristic defect of most works of the kind. and all acount, both in theory and It is not quite up to the scall or. If a per ents the

of our established by his.

Said rest the case, contenied than his matchless gener. It shadows both the with the alfence of a 1 reshed American institution as a the all of the pamphlet. But we are will only find proportion of the intellection on the law of replacement of the pamphlet. But we are will only find proportion of the intellection on the law of replacement of the intellection on the law of the intellection of the int say by way of not a rent of commendation. The trace where he ded the theory of our public in those mounting rides of personn and because in Tiron had needed as a most extract the sum of the source we have watched its had not reflect up to the people, all the more have watched its had not reflect up to the people, all the more have the second of the product of the product of the product of the second of the ward on that decreased it and the product of the second of the ward of the ward of the second den in he without own statesmen, has

COMMERCIAL. DAILY REVIEW OF THE MARKET Poliacco sold Testerday at about previous r

important information relative to Nicaragua. Transit matters.

It seems that the concession of the Nicaragua Transit by the Government of that Republic to Concelius Vanderbit, Horace F. Clark, and their associates must be regarded as an fait accouptl.

About two weeks ago there came passengers in the Star of the West the famous Webster, Vanderbit's agent, and Mr. Getell, a copartner of one of the members of the Nicaraguan Assembly, and large and infuential property-holler in the country. Webster had all the transit documents in his peck, and it is said that no one was more surprised at C. Rall has for sale at his yard, on Gree street, between Campbell and Shelly streets, a su-perior stock of white pine lumber, hemlock fencing, and No. 1 pine shingles, which he will dispose o low for cash. n18 dtf low for cash.

A Great Invention.—J. T. Mudge, the patents et, and it Is said that no one was unore surprised at his encess than the Commodore himself. The principal document is the deed of cancession itself-dated the 8th of May last—which grants to Cornelius Vanderbilt, Horace F. Clark, and their f the Washing Machine that is creating such as excitement in this city, has devoted lifty years of toil and study in inventing a perfect Washing Machine. CIANS HAD FAILED.

CHANG HAD FAILED.

Dr. C. M. JACKSON-Dear Size 'Wa would inform outhat we are out of Hee dand's German Bitters, which are very ready sile. One of our neighbors has been dectoring for some time (wa think about two pears) with all the doctors on the country, but all of no country with the doctors on the country, but all of no country. His bested us much like a dead man going about as anything we can compare him to. His disease appeared to be an event when of the gall. With hard perseasion or prevailed on him to try your listers, with the promise to ham fit did no and we would charre him nouthing for it, provided be ited at bottless according to the directions, which he has done, and it now entirely curred, and has become a well man. This cure has created a great sale in his neighborhood.

Respectfully,

LeWARDS & BROWN.

Ask for Hoofland's German Bitters, and take nething else. See that the signature of C. M. Jackson is on the wrapper of each bottle. These Bitters are manifectmed by C. M. Jackson, No. 4th Arch street, Philadelphia, and solid by drugglets and startekeepers in every town and whinge in the United States. Canadas, West Indian, and South America at 73 cents per bottle.

Agents, wholesale and retail, in 18 and 18 decided by the decid Agenta, wholesale and retail, june'D '15daw's Louisville, Ky.
